

Working capacity, health and safety in agriculture

Nordic Meeting on Agricultural Occupational Health and Safety

Skjetlein Grønt Kompetansesenter, Trondheim, Norway 3.-5 November 2020

Welcome to Trondheim and the 2020 Nordic Meeting

We are delighted to welcome you to the 2020 Nordic Meeting on Agricultural Occupational Health and Safety which is held at Skjetlein Grønt Kompetansesenter, Trondheim.

This Nordic meeting is organized every second year in one of the Nordic countries and this year hosted by a number of partners in a collaborative relationship, both within the scientific community and agricultural actors who are subscribers of research.

Scientific Partners: National Centre of Expertise for Occupational Health in Agriculture and the Department of Occupational Medicine at St. Olavs Hospital, Trondheim University Hospital, The Swedish University of Agricultural Sciences, Ruralis- Institute of rural and regional research, Department of Industrial Economics and Technology Management, NTNU, and Department of Sociology and Political Science, NTNU,

Partners: Norwegian Farmers Union, Norwegian Agricultural Extension Services, Trøndelag County Council and County Governor of Trøndelag.

Save the date! More information will be published:
