## **IMPACT AND KNOWLEDGE EXCHANGE EXPERIENCE**

### **Key achievements**

- UK Women In Fisheries (UKWIF) network. I organised first meeting, 17 Oct 2019, at University of Exeter. The meeting led to a formalisation of a network of women in the industry and a policy

brief titled “Voices from the industry” circulated to key stakeholders in March 2020. The network was in 2020 incorporated as UK Women in Fisheries CIC - a community interest company registered with the Companies House (England and Wales). In 2021, the UKWIF CIC was awarded a grant (27k GBP) by the Seafarer’s Charity to support their development.
